

How Can We Reduce Manufacturing Pollution (Paperback)

By Candice Ransom

Lerner Publishing Group, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Factories create large amounts of pollution when making their products. But did you know that new technology helps factories significantly reduce the amount of that pollution? Or that governments have rules about how much pollution factories can put into the environment? Get the inside story on manufacturing pollution. As part of the Searchlight Books(TM) collection, this series sheds light on an important question--What Can We Do about Pollution? Informative text, compelling photos, and engaging captions will help you find the answer!.
