Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Large Print. Language: English. Brand new Book. A sweet poetry collection whose themes border on love, the beauty of nature, religion and many other interesting facets of life. They are real-feel-good poems which form a wonderful gift for your loved one, your family and friends. The beat in many of these poems chimes at the right time like the sound of a French clock and has a soothing and hypnotic effect. Get a load of the following poem: After Rain A beautiful sunrise after rain View the countryside in a train Of bough, leaf and sky The forest full of animal laughter Monkeys chirrup and chatter The noise of water in the gutter Like the noise of people in the ghetto Air shrill with cicada songs Weaver birds chat and gossip A group of Christians pray and worship. Fields ablaze with the sound of tractor engines Sweet smell of wet soil turned by cultivators I see African women in long dress Backs bent to sow maize seeds And soon, when the sun is hot And all are tired They go and sit under a shade Cooling their burning throats with the traditional brew Their strength regained anew. Not only is the poem musical, the poem like a huge camera captures the beautiful sounds of nature and the activities of the countryside in a vivid way. There is also love punctuated with humour in some of these poems Take for example the poem, 'Love In The Rain' which forms the main theme of the poetry collection: Love In The Rain Two figures kissing in the rain Their mouth searching finding A zigzag of forked lightning Thunder hails his bolts Feeling the fast-bird flutter of her heart And the trembling warmth...
